

How you can play a part

You can join our organization. Dues are reasonable and help to defray the cost of maintaining the cemetery. In addition, your contribution helps to support a vibrant, community-based organization that actively researches local history and participates in educational outreach programs with many local and statewide school districts.

You can volunteer to help us. We need people to help keep the cemetery clean, landscaped and well maintained. Much of our work is done on Saturday mornings. Of course we can use all types of talent in our organization to handle a variety of interesting tasks.

If you are a person with local roots, you can contact us with your stories, family history, memories, photographs and memorabilia. We are actively researching the role of African Americans in this community.

Our Resources

In addition to caring for the cemetery, we maintain a growing collection of artifacts and research materials about the Midland Cemetery in particular, and the African American community of Steelton, Oberlin, Enhaut, Bressler, and Swatara Township in general. Materials are housed at the Midland Archives, Steelton, Pennsylvania. At this time, the Midland Archives are not available for public research. Our research is published through our Website, and in newsletters that we send to our membership.

The Friends of Midland is a non-profit organization. Contributions are tax deductible under IRC Section 501(c)(3).

In Memory of Rev. Clyde W. Roach
